

Jonah Merriam

jonah@jonahmerriam.net | Torrington, Connecticut

Profile

A detail-oriented and community-focused individual with experience in customer-facing roles and team leadership, seeking to apply my skills in a dynamic and innovative environment while continuing to pursue a degree in Computer Science.

Experience

INTERN, BIBLIOMATION INC – REMOTE – 2025-PRESENT

- Contributing to the development and maintenance of Evergreen ILS, an open-source integrated library system used by consortia across the U.S.
- Working with a distributed team to implement backend features, resolve bugs, and optimize system performance across PostgreSQL, Perl, and other server-side technologies.
- Participating in code reviews, documentation, and version control workflows using Git and GitLab.
- Gaining hands-on experience in large-scale, mission-critical open-source software with a strong focus on collaborative development and long-term maintainability.

Education

Bachelors of Computer Science, University of Connecticut, Storrs - *Expected 2027*
